01 ABOUT FREDDY

Freddy Lim founded the **Claude Singapore Community**, a non-profit community, in April 2026. Six months on it has **20,000+ members**, chapters in Indonesia, Vietnam, India and Sri Lanka and weekly hands-on workshops he teaches himself. He launched **Claude Labs**, a member of the **Anthropic Partner Network** (Services Track) and the **Amazon Partner Network**. He hosted **Claude for Enterprise with AWS and Anthropic**, Anthropic's first public speaking event in Singapore.

Before Claude SG he founded **Web3SG**, an official **TOKEN2049** community partner, and organised **SuperConnect**, a **TOKEN2049** side event with 1,000+ RSVPs. He has run sessions with Google and Cloudflare and sits on the EXCO of the **Asia Blockchain Association**. He speaks across the region, in Singapore, Indonesia, Vietnam, Thailand and Malaysia, and has been building since 16, as the youngest Singaporean awarded the Entrepreneurship Talent Development Fund grant.
